## **WELCOME BACK!**

We are excited to be able to join together again for our Insider Briefing on June 25! The Scotch & Sirloin is doing an outstanding job of “social distancing” and we wanted to share with you the way they will set up for our meeting. All tables will be 6’ apart with no more than 5 people at each table. If you prefer to have your lunch served on totally disposable tableware just let Julie know as they are happy to accommodate that request. Also, anyone wishing to wear a mask during the meeting can opt to have their lunch “to go”.

We are looking forward to seeing everyone and look forward to Sheriff Easter’s update on both the Mental Health & Substance Abuse Coalition as well as his department’s response to the Coronavirus Pandemic.

As always, please RSVP to Julie and let her know if you will be attending this month’s Insider Briefing.

## **THANK YOU TOM DONDLINGER!**

You recently received an email about Wichita’s “The Way to Work” program, as WPD Officer Donielle Watson asked if the WMCC might be able to assist him in finding companies to provide summer employment for youth. All participants meet residence and/or income guidelines. The wages are paid by the City of Wichita, and each youth will have City of Wichita badges & uniforms. Officer Watson said they are trying to find spots for 100 kids and still have 40 to go.

Tom Dondlinger at Dondlinger Construction responded and has committed to two youth for the summer program.

Thanks Tom! This is a great way to help give some kids who want to work a “hand up”!

If any of you would like to participate in this program please contact Julie and she will put you in touch with the appropriate person at the City of Wichita
